

HP™ 2055 conversion kit

- You need :
 - one 505 X hopper

HP™ 2055 conversion kit

- You need :
 - one 505 X hopper
 - one 505 X waste section

HP™ 2055 conversion kit

- You need :
 - one 505 X hopper
 - one 505 X waste section
 - one transmission gear

HP™ 2055 conversion kit

With these parts, you will :

- get a more reliable product
as OEM parts are less worn on an « A » virgin than cartridge
than on an « X »
- clear your old stock of empties
- **decrease your final cost**
(previous models are always cheaper than new ones)
- **increase your production volumes**

Last tips !!!!!

Don't be suprised !!!

- 49A mag roller will have to be locked only on one side (prefer left side with contact)
